TRIVIA

· Ganzerli wins his second Italian Open with a different deck: Snake-Eye in 2024, Angelechy in 2026.
· Crosta is the first top 8 appearance that ygoprodeck records under his name.
· Kelly, a world finalist, tours Europe: after London in September he is in the Top 8 at Bussolengo.
· The Konami page says "Saturday", but October 18, 2026 is a Sunday: the date is the one from ygoprodeck.
· Konami lists the top cut as "N/A", but for a Tier 2 the rules (Policy v2.5) provide for a Top 8: the event page looks like an outdated template.
